This diagram shows an exploded view of a mechanical assembly. The main components are labeled with circled numbers 1 through 24. The assembly includes a base unit (1) with a control panel (12) and a handle (14). A large, curved, protective shield (19) is shown in an exploded position. A complex mechanical head (18) is positioned above the shield. A motor or actuator unit (16) is shown at the bottom right, connected to a cable (8). Various fasteners, including screws (23, 24) and bolts (9, 10), are shown in their respective assembly positions. The diagram illustrates the relationship between the main components and their sub-components.
